

Website Report YTD 27 August 2017

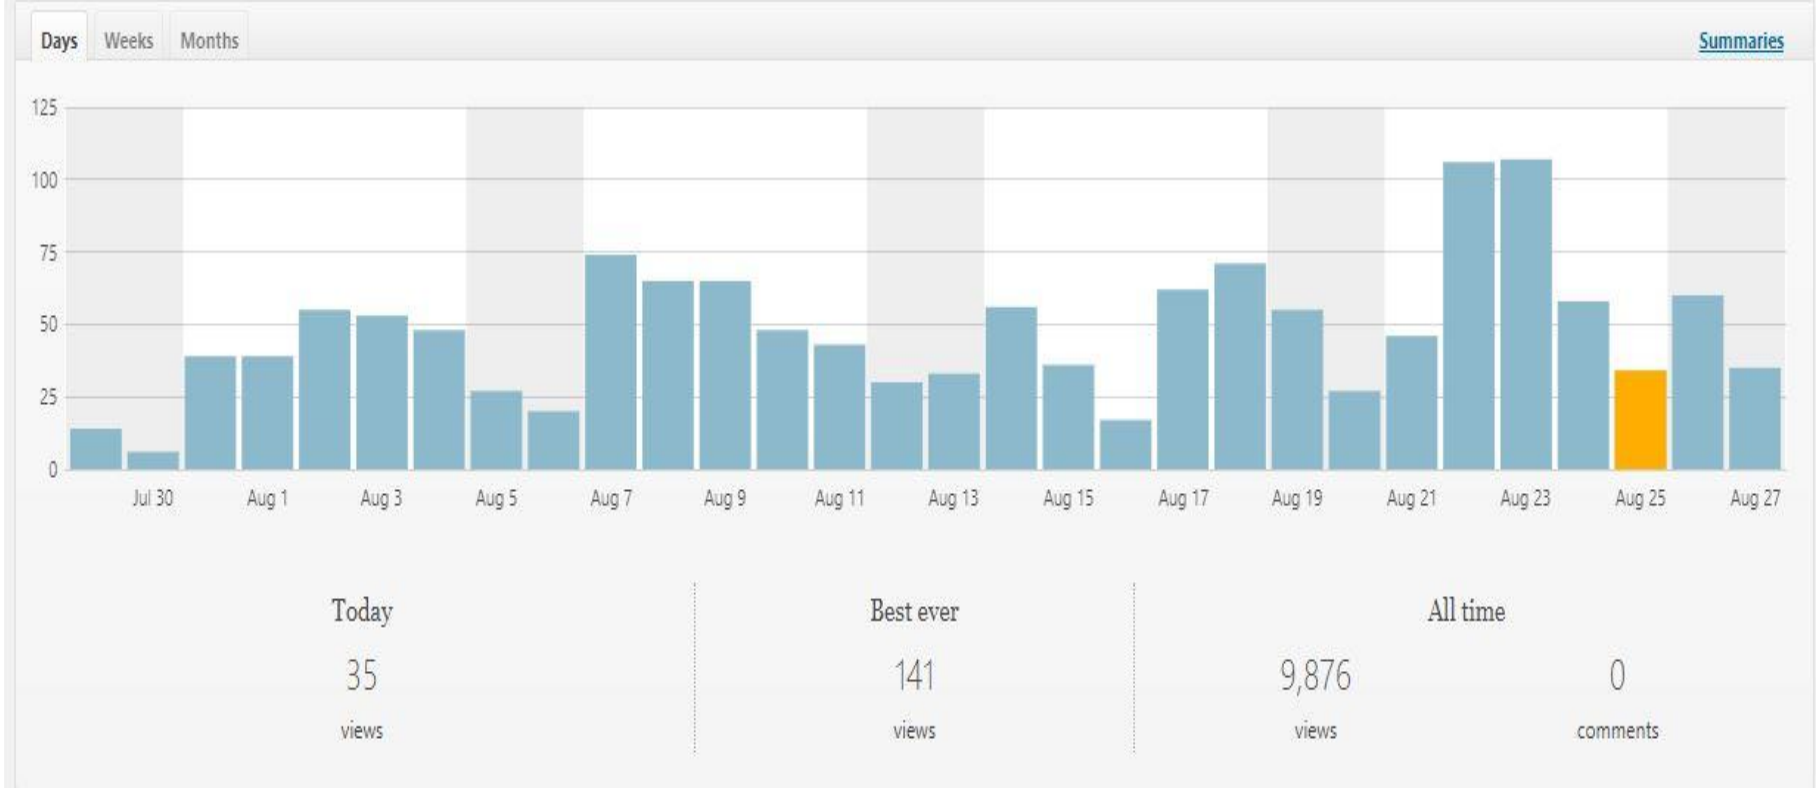

Month	Progress	Details	Outcome
Dec 2016	<ul style="list-style-type: none"> • New website established and developed - http:// CairnsU3Ainc.u3anet.org.au/ • Cost significantly less than previously with more flexibility and functionality. 	New software (WordPress). Site developed within Cairns U3A – no further need to rely/engage external programmers.	<ul style="list-style-type: none"> • Cost saving for Cairns U3A. • Software more functional and flexible to accommodate Cairns U3A needs.
January to August 2017	Website continuously developed/updated according to Cairns U3A needs.	Website will continue to be dynamic and evolve as Cairns U3A needs change.	Ability to update information and accommodate additional requirements (ie calendar page / new links to other website, etc.) is now instantaneous .
	Website downtime (ie when website not available) slightly more than with previous host (who charged 3 x more).	Decreased choice of hosts since we are now linked to U3A NSW network and part of many other Australian U3A websites.	Usually attended to and resolved very quickly with minimal inconveniences to all.
